MEDJET IS NOT INSURANCE. WE'RE DIFFERENT, AND HERE'S WHY.

Medjet is a membership program. Unlike an insurance company or platinum card service, we have **no deductibles, no claim forms** and **no monetary caps** on air medical transport costs. And for travelers under age 75, there are **no medical questions** or pre-existing condition clauses. Our members don't need to have a transfer deemed "medically necessary." Security and crisis response services are not dependent on government issued "hard triggers." Medjet memberships provide travelers with unrivaled control over their health and safety.

Covid-19 Transport is covered with some restrictions. Benefit details are available at [Medjet.com/COVID](https://www.medjet.com/COVID).

- ✈ **Over 10 million travelers are hospitalized abroad each year.** Millions more while traveling domestically.
- ✈ **Over 2 million of those travelers require air medical transport** that health insurances, travel insurances and platinum card benefits may not cover.
- ✈ Individual medical transports can cost **\$30,000** to **\$180,000**.
